DEAR PARENTS
Our current behaviour plan is soon due for renewal and there was good discussion on the recent student free day about what is working with our current program and how we can improve it. For the next little while, we are trialling a ‘token’ system where students receive tokens recognising when they act in responsible, respectful, safe way and as a learner. When they collect the required number of tokens in each area, they become eligible for a certificate and a small prize. Tokens can be gained both in and out of the classroom.

The Year 5/6 class began this trial about a week ago and some students have already received their first reward and certificate.

RULE OF THE WEEK
Be Respectful

THE POWER OF POSITIVE PARENTING
The Triple P positive parenting program is for parents with children aged 3–8 years. The program gives you the tools to: encourage behaviour you like from your child, deal positively and consistently with problem behaviour and take the stress out of parenting.
We would like to offer all parents the opportunity to participate in this worthwhile program on Thursday October 29 from 9.30 to 11am at the Community Hall.
Please see the attached flyer.
