DEAR PARENTS
Please read the ‘Every Day Counts’ item below. It contains information about the next Attendance Reward.

Coominya has a school uniform and students are strongly encouraged to wear it. It can be quite noticeable when some students do not wear their uniform – their behaviour changes and not for the better. Please ensure that the jumpers etc. have names on them.

RULE OF THE WEEK
Be Responsible – Complete set tasks.

CERTIFICATES
These students received a certificate for Great Work!
- Hayley - Good work
- Ryan - Pleasing efforts to complete set tasks
- Jack - Working well in mathematics

NEWSLETTER
We would like to remind parents that our newsletter is issued every Thursday to the eldest member of the family. It also downloaded to our website.

If you would like another member of your family to receive this newsletter, please contact the school office for this to be arranged.

EVERY DAY COUNTS
5 minutes late a day equals 25 minutes a week equals 1000 minutes a year equals 43 days (almost a term) over 13 years of schooling. 10 minutes late a day and you double that figure!

Currently most families are managing to meet our 90% benchmark for the attendance reward, however DET is also taking notice of late arrivals. The terms of the next attendance reward have changed. Children who are late (more than 5 minutes) on three occasions will ‘lose’ a half day’s attendance.

e.g. Billy misses one day through sickness and is also late three times. His attendance will be measured as 1 ½ days absent. Six lates would mean a whole day.

HEAD LICE
We are again finding head lice throughout the school. They are a very common problem in schools everywhere. While they are not a threat to health and do not transmit disease, they do cause a lot of distress and anxiety for families and schools.

Please check your child’s hair regularly. If you find head lice please keep checking every 2 days until there are no head lice found for 10 consecutive days.

200M/800M
Due to the time available on Sports Day we will be running the 200 and 800 metres races for all 9 to 12 year old students during their HPE lesson on Thursday June 11.
